Securities Analysis

2nd Circuit asked to certify limitations question to N.Y. high court

WESTLAW Securities Daily Briefing

Plaintiffs in a tax-shelter fraud suit against Deutsche Bank are urging a federal appeals court to ask New York's highest court whether state law allows the "cross-jurisdictional" tolling of the limitations period pending the outcome of a similar case in another state.

Investor says Israeli tech company hid bad news about future sales

WESTLAW Securities Daily Briefing

An Israel-based computer parts supplier and top executives violated federal securities law by failing to disclose information that pointed to unsustainable sales growth during a precipitous rise in the company's stock price last year, according to a shareholder lawsuit.

FINRA moves on expanded derivatives reporting

CQ Roll Call Washington Securities Briefing

The Securities and Exchange Commission granted accelerated approval to a proposal by the Financial Industry Regulatory Authority to expand reporting requirements for derivatives and other off-balance sheet transactions.

SEC cancels investor adviser registrations under Dodd-Frank

CQ Roll Call Washington Securities Briefing

The Securities and Exchange Commission has cancelled the registration of nearly 150 companies previously registered with the SEC as investment advisers under section 203 of the Investment Advisors Act of 1940.

FINRA wants faster trade reporting

CQ Roll Call Washington Securities Briefing

The Securities and Exchange Commission is soliciting comments on a proposal by the Financial Industry Regulatory Authority to require members to report over-the-counter equity transactions within ten seconds of execution.
